Dear David,

I was delighted to learn from your letter that you and Cathy enjoyed your stay in Allegany County (I say this with personal gratification attached).

Regarding your speech and dialogue with members from the audience ... well, based on the many phone calls, letters, and remarks I've received these past 10 days, I would say, "a good portion of it `went in`." In other words, YOU WERE A BIG HIT!

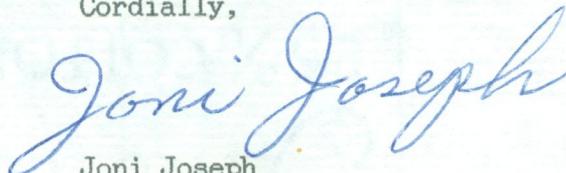

You did, indeed, have a certain impact on some professionals. However, I believe that, for many of those I attempt to help, you were that wonderful, gigantic, powerful incentive they needed! I keep hearing what amounts to, "I think I can, I think I can, I *know* I can!"

I deeply appreciate your generosity and interest in my work. Although my dream has not yet been realized, now at least, I know it is attainable.

It is my sincere hope that our paths will cross again in the not-too-distant future.

Once again, please accept my heartfelt gratitude for caring enough.

Cordially,

Joni Joseph

Hello David,

I am delighted to forward some of the literature prepared in anticipation of your visit to the Southern Tier of New York. I have also included information describing your lodging, a schedule (of a sort), and "homespun" directions.

Since we have plans of showing you beautiful Southern New York the following day, I reserved your room for Friday, May 10th and Saturday, May 11th. This way, should you choose to stay overnight on Saturday and start your trip back on Sunday morning, that option will be available to you.

I am taking every precaution to make your stay a pleasant and memorable one. If I can revise or change anything to that end, please let me know and I will be happy to do so.

In any event, I will contact your office during the week of May 1st for the purpose of "double-checking" the directions I've sent.

I, and many others, are enthusiastically awaiting your arrival.

Cordially,

Joni Joseph
Social Club Coordinator
