Dear Resident:

This may seem like a strange question, but are you planning to move in the near future?

The Kitsilano Citizens Committee on Mental Health, in conjunction with the Metropolitan Board of Health of Greater Vancouver, is looking for a place to house a mental health centre in and for the Kitsilano area. We would like the centre to be in a house in order to create a more informal and comfortable atmosphere than an office.

We are contacting you because you live in one of the few houses that is located on suitably zoned land.

So, if you are planning to move in the next few months, we would very much like to hear about it, before you give notice to your landlord.

If we are able to use your house we will contribute \$20.00 toward your moving costs.

You can get in touch with us at the Kitsilano Planning Centre - phone 733 5614 and ask for Suzanne or Dave - and we will be glad to provide any further information you may require.
